25X1	Talked with Charles Kendrick, Administrative Assistant to Senator Peter H. Dominick (R., Colo.) about the position taken by the Colorado Department of Revenue with regard to tax exempt status of annuities paid under the CIA Retirement and Disability System. Kendrick was interested in this question and is having members of his office staff review the Colorado law on the subject. When that is concluded he will be back in touch with me and may recommend that Senator Dominick ask for a review of the position taken by the Chief of Taxation that CIARDS annuities are not tax exempt. I left with him a draft of a letter which they might want to send to the Chief of Taxation on the subject.
